

With Christ in our hearts, we live life to the full.

Faith Council Minutes 8.9.26

- Why do we have/need a Faith Council?

We are role models in the school. We are of different faiths but all believe we should be good people and are here to serve others, just like Jesus did and taught. Make everyone feel involved. Help read out prayers and help lead with worship/

- Discuss our roles:

- Monitoring collective worship/RE/prayer areas across the school

This will take place later in the year

- Leading Worship on a Monday - LOUD voices!

We lead whole school worship alongside Mrs Atkinson, using LOUD voices. We use loud voices so that everyone can hear our message. When reading from the Bible, it's important everyone can hear, so that we can think about the message.

- Organise fundraising throughout the year - lead on this - sharing with the rest of the school & each class. Why fundraise?

We fundraise to help people who might need our help: poor, homeless, lonely, elderly, sick. WHY? - following Jesus' example. CST?

- Feed back to Governors & keep them informed

This will happen later in the year

- Fundraising - agree on charities to support: local, global

The Salvation Army - we will do a harvest collection. Mrs Atkinson to adapt poster & one child to make one. Y6s will introduce it to the school on Monday and a message will be sent home. Collections to be dropped off in the Hall under the virtues display.

Royal British Legion - selling poppies

Good Shepherd Centre - continue to support - serving dinners and anything else that comes up.

CAFOD - continue to support. Bun sale next week.

- Discuss fundraising for this term

- Good Shepherd Centre - What? Why? Who?

They support those in need in our local community. At the lunch clubs, we serve dinners and drinks and talk to the elderly people. We serve just as Jesus taught us to do. The first visit will just be Y5 & 6s due to hot drinks.

- School virtues: Friendship, Respect, Generosity - stay the same?
